NEXT MEETING....

Our annual meeting is coming up. Once we have a date and a location picked out, I will let the membership know what is happening. At that time, the Dog of the Year awards will be handed out as well as the AKC Awards plaques and hangers. Please be sure to get that information in to the right people.

Thanks,

BRAGS...

Daisy qualified for the 2009 NAVHDA Invitational held in Steubenville, OH just west of Pittsburgh, PA. She passed with a maximum score of 200. It was an unbelievable event.

Thanks to everyone that help Daisy develop into a VC and for your insight and training tips that made me a better handler.

Wisconsin was well represented at the 2009 NAVHDA Invitational. Luke earned his VC title at the NAVHDA Invitational.

Hi everyone!

We had a super weekend at the shows. It was my beagle Brewzer's first shows as he turned 6 months old on Saturday. He started by winning the breed and then winning the Puppy Hound Group! Sunday he won the breed and then got pulled in the Group!!! Not too shabby for 6 months and 1 day!

On July 19th at the Kettle Moraine NAVHDA Chapter MickLins Teddy Bear (Leo) received a perfect score of 112 for a Prize I in Natural Ability. He worked so nice for me in the field and steady to the flush. His pheasant track was great and pointed the pheasant at the end of it. But the best was his water he retrieved both dummies. He was like his father Spanky - not too keen on the water - but not anymore.

On July 24th at our club's Specialty Show held at the Waukesha Expo MickLins Jailhouse Rock (Rock) took 1st place in the 12 - 18 month class. That was a great day because he finally beat his brother Leo in the show ring. Rock likes to pace in the ring but on that day he didn't.

Newsletter/Event Notification Policy

For various reasons, one being the cost of printing and postage for "snail-mail" - the internet will be used for club business whenever possible. Many times throughout the year various Committee Chairs desire to contact the membership with requests for such things as trophy donations or help for events or notices such as upcoming seminars. E-mail provides them a quick and efficient mode of making those contacts. Unfortunately, members not on the internet may not receive these contacts. While we do regret this loss of communication, the club is not requiring Committee Chairs to take the extra time and expense to send such requests via regular mail to members that are not on the internet. Rest assured that any business done in regards to club policy or meeting notices will be handled in such a way that all members receive notice.
